

Are you new in the area? You may want to register here as soon as you have all the proper documentation we need for registration. It is important for us to maintain an accurate count of students before school starts in August. We take applications between 9 am and 2 pm - Monday thru Friday.

You will need to contact the prior school (AACPS) so they can withdraw your student from their location and...if the student is coming from a Maryland school; we will also need a transfer packet from the prior school.

The packet will contain the following:

- Maryland transfer form
- Copy of Birth Certificate
- Copy of last report card showing grade student was promoted to
- Immunizations record

From a non-Maryland or private school, we will need the same records as above except for the Maryland transfer form.

In addition, you will need to provide current proofs (2) of residence in our area. This consists of the following: A current monthly mortgage statement from the lender OR a lease AND a utility bill.

We will be unable to register the student without all of the above documentation. If you have any questions regarding enrollment or documentation, please contact the school at 410.222.6930. Our secretaries will be glad to assist in providing additional information.
